DRONE PARK
PART 107 GRANTS

- **ARE YOU A VT UNDERGRAD?**

- **WANT TO GET YOUR PART 107?**

- **NEED SOME SUPPORT?**

- The Part 107 certificate, or Remote Pilot Certificate, is required
  - By the FAA for all drone flights for business or commercial purposes, nonprofit work, or education;
  - To fly a drone on Virginia Tech property, or to fly a Virginia Tech-owned drone, under Policy 5820;
  - To borrow a drone from University Libraries.

- The fee for the Part 107 exam is $175; certification lasts two years.

- Selected applicants will be reimbursed the cost of the test with proof of a passing grade before the end of the Fall 2021 semester.

- Drone Park staff can also provide resources and guidance for exam preparation upon request.

For more information about Part 107 certification, see the [FAA website](.).
